“MIPIM UK is a timely moment to showcase the country’s world-leading property market”
David Cameron, Prime Minister, **United Kingdom**

“MIPIM UK has proved to be a busy event for Manchester and our business partners and I have been delighted to spend some time talking to potential investors looking for opportunities outside of London. It has pleased me to see such a strong diversity represented here, proving what the UK has to offer in driving growth.”
Sir Howard Bernstein, Chief Executive, **Manchester council**

“The level of knowledge is totally different at MIPIM UK. We are hearing from advisers and peers including other global investors. It is very important to us to have this level of serious discussion. MIPIM UK has been a great success.”
Stanley Ching, Senior Managing Director, Real Estate, **CITIC Capital Holdings China**

“I was glad to welcome overseas and domestic investors to MIPIM UK and introduce them to the burgeoning opportunities to invest in UK cities.”
Greg Clark, Minister for Universities, Science & Cities, **Cabinet Office**

“Far exceeding expectations on quantity and quality of attendance, the inaugural MIPIM UK has unequivocally been a success story – providing lively debate on the key issues, such as housing and infrastructure, and the critical new trends in commercial real estate. In particular I was delighted to see a high level of engagement between the public and private sectors.”
Bill Hughes, Managing Director, **Legal & General Property**
